

Sponsorship of **Ireland Biomethane – pathway to 2030** opens opportunities to position your business /organisation with the drive to deliver the national target of 5.7TWh of Biomethane by 2030, alongside the main players across the full supply chain.

The prestigious venue of GAA Headquarters Croke Park, has been selected to comfortably accommodate the anticipated 300+ delegates and exhibitor stands for Platinum sponsors. It will provide the best possible showcase and platform for engagement with delegates across the biomethane industry (developers, technologists, researchers, suppliers, consumers, financiers and regulators) reflecting the conference focus is on action across Financing, Planning, Technology and Feedstock.

The event will be promoted on-line, through social channels and relevant media with updates, adverts, an e-zine and conference programme.

BENEFITS:

- **Reputational - association with the emerging biomethane industry pathway**
- **Networking and engagement – anticipating 300+ delegates (all island and European)**
- **Brand recognition**

RGFI conference in partnership with the Department for Agriculture, Farming and the Marine, Department for the Environment, Climate and Communications and KPMG Sustainable Futures.
